NEWS FROM OUR COMMUNITY LIAISON OFFICER JENNY LUXON

WELCOME BACK FOR A GREAT 2020!

There are lots of wonderful, exciting and enriching things happening this year. Make sure you check the newsletter each week to keep up with what's happening. We've got the swimming carnival coming up, the new Leaders Induction Assembly, Harmony Day, our meet the teachers' event, Easter Hat parade and lots more.

BECOME A COMMUNITY TUTOR

Over the years we have been very fortunate to have a dedicated group of people who come to school once or twice, sometimes three, times a week to work with a child on a specific area of learning. These dedicated volunteers have been making a huge difference in the lives of the children they assist – not only in educational terms but also as a mentor and friend.

Each tutor is supplied with work for their specific student. It may be helping with reading, sight words, tables or helping to finish assigned work or homework.

If you would like to join our merry band of tutors, please let the ladies in the office know. They will then forward your name to me and I will contact you personally. You will need a Working with Children Check number and the office ladies will explain how to obtain this.

Tutoring is easy, fun and very rewarding. Give it a go!

TUESDAY IS THE NEW DAY FOR GARDEN CLUB

This year Garden Club will be happening on a **Tuesday** instead of Mondays. Our first Garden Club will commence on **Tuesday 18th of February** starting at 11am for our helpers and 11.10am for our students. Garden Club is a fortnightly event where children get the opportunity to grow food, then to cook it and the best of all, eat it!

Garden Club is run by a group of wonderful parents who share their love of gardening and knowledge with our children. If you would like to join us, please just come along and witness the joy that the children experience.

LIBRARY NEWS

2020 is here! A new year and new beginnings for us all.

A warm welcome to all our new students and their families and a big welcome back to our returning students and school community. I look forward to meeting our new Kindergarten students and helping facilitate their enjoyment of reading and our Library.

Borrowing Information

There is a standard 2 week borrowing period to allow plenty of time for you and your child to share the books they have selected. Alternatively, they may return them and select new books each week at their scheduled library class, or drop into the library during the lunch break, as well as before and after school.

*K-2 students = 2 books *

Years 3-4 = 3 books

Years 5-6 = 4 books

Students in K-2 classes will need a library bag to help protect the books they borrow. Students in primary classes 3-6 do not require a library bag.

Weekly Library Classes

Library classes are scheduled from Monday to Wednesday. Every class will attend a library session for an hour each week, where they engage in whole class, small group or individual activities/projects that will have a focus on a Key Learning Area such as Reading and Literature, Visual Literacy, Information Literacy, History and Geography. During their library session there is time set aside to return books and browse the library to make new selections as well as just enjoy some browsing and reading time.

Monday classes: 4 Ruby + K Red + 2/3 Green

Tuesday classes: 1/2 Teal + 5/6Maroon

Wednesday classes: K White + 5/6Violet + 1/2Yellow + 3/4Blue

Book Fairs & Book Club

During the year I usually hold 2 *Book Fairs*. The first Fair is around Mother's Day and is booked in for Term 2, Weeks 2 and 3 from the 4th May – 6th May & from the 11th May – 13th May. The second one is our Christmas Book Fair and is usually held late November/early December.

Book Club – During the year your child will bring a Scholastic Book Club brochure home. There is always quite a range of books and speciality items available for purchase. If you wish to make a purchase you can fill out the form at the back of the brochure and send it and appropriate monies in an envelope to school; or you can order online via the parent loop. Even if you don't purchase any books, it is my experience that your child will thoroughly enjoy having a look through them and showing you what they like.

Please encourage your child to enjoy and take care of our library books and return them for more, but even more importantly, ENJOY the library books WITH your children.

Geri Jensen (Teacher Librarian)

How You Can Create a Healthy Lunch Box

Cancer Council NSW is keen to promote awareness about healthy eating and has therefore produced its Healthy Lunch Box website healthylunchbox.com.au

Summer is here so keeping some foods cold is very important. The key to achieving this and the necessity to follow hygienic food preparation methods can be found on the website.

Get your kids involved in the planning and preparation of their lunches. This can be a good way to ensure a yummy summer lunch box will be on its way to school.

Keeping your kids sun safe is also most important so don't forget to remind them to slip on clothing; slop on broad-spectrum sunscreen, slap on a broad-brimmed hat, seek shade and slide on sunglasses.

COMMUNITY INFORMATION

Did you know that by law you must slow down to 40km/h when bus lights are flashing?

As our students start the 2020 school year, the NSW Government and your local school bus operator Busways is reminding parents, teachers and other motorists about this law which is designed to keep our kids safe.

Lights begin to flash when the bus stops and the doors open, and they keep flashing for 20 seconds after the doors close. Children are most at risk in the minutes after they get off the bus as they can be unpredictable in their movements.

Fines and demerit points apply if a motorist is caught going over 40km/hr when passing a bus with flashing lights.

Motorists can help reduce the risk of an incident and keep children safe by:

- Slowing down to 40km/h when bus lights are flashing,
- Looking out for children crossing the road near bus stops, in [school zones](#) or along bus routes, and
- Giving way to buses when they merge back into traffic.

For more information visit <http://roadsafety.transport.nsw.gov.au/campaigns/be-bus-aware/bus-flashing-lights.html>.
