CASCADE INCURSION - STAGE 2

John McQueen, principal at the Cascade Environment Centre came to talk to the Stage 2 students last Thursday. His talk and hands-on activities were all about renewable energy. Year 4 children would have been off to Cascade this month to spend 3 days and 2 nights learning about the Cascade rainforest, environment and it's history. Most activities are outside. The days are full of learning experiences, exploring the rainforest, the creek, native flora and fauna. This year? No camp, no Cascade! Bush fires and COVID-19 saw to that. We are very grateful that John could come and share some of his knowledge with us at school. Hopefully next year the Year 4's will be able to visit the Cascade centre. Further on in the newsletter, you can read some stories from the students about what they learned with John.

NEWS FROM OUR PRINCIPAL MRS JANE MARTYN

WEEKLY SCHOOL RULE

The focus this week is the
blue rule
“keep hands, feet, mouth
and objects to myself”

We ask that you reinforce this
week's rule at home with your child.

As we come to the end of our school term, I would like to thank our outstanding team of teachers and support staff who consistently make our students the centre of our discussions, focus and our decisions.

All staff have engaged in much and varied professional learning. Most recently, our teachers commenced an 8 hour course in Building Blocks for Numeracy. We had a late twilight meeting last week and will have another one during Week 2 of next term to complete another 3 hours of the course. As a trade-off, we will be closed on Friday 18th December. Our students' last day as Wednesday 16th December will not be effected.

It has been a most successful term in many ways, we are all looking forward to dressing as Pirates on Thursday and Years 3-6 will be participating in our Indigenous tabloid games on Friday.

NEW NSW SCHOOLS UPDATES APP

You can now download an app through the following link that allows parents and carers to receive operational status updates for NSW public schools at:

<https://education.nsw.gov.au/parents-and-carers/nsw-school-updates-app>

The app will complement the other means of communication available to parents and carers from schools and the Department of Education to ensure families receive timely, accurate information in a crisis. You can opt in for notifications about the operational status of as many NSW public schools as you choose.

TELL THEM FROM ME SURVEYS

We have registered to participate in the Tell Them From Me survey again this year. Our students from Years 4 to 6 are invited to complete the survey twice during the year.

We also ask that all parents from Kindergarten to Year 6 complete the survey also. It is called the Partners in Learning. The anonymous information gathered by us from these surveys helps us to clarify and strengthen the important relationship between parent and school. Our wonderful team of teachers also complete the survey each year.

Thank you to those parents and carers who have already completed the survey. A link for the anonymous parent Partners in Learning survey was sent via SMS to you last week. Please let us know if you didn't receive a link to complete the survey. The survey window closes on Friday 23rd October.

UPDATED GUIDELINES FOR OPERATIONS DURING COVID-19

Guidelines for schools were updated recently. Following is a list of changes in guidelines as they will impact on us at Urunga Public School until further notice:

- **School attendance:**

Students should be at school unless:

- they have a medical certificate which states that they are unable to return to school due to an ongoing medical condition and the expected timeframe
- they are currently unwell.

In accordance with advice from NSW Health, parents and carers are reminded **NOT** to send children to school if they are unwell, even if they have the mildest flu-like symptoms. Schools will make arrangements for students who present as unwell or have flu like symptoms to be sent home.

NSW Health have requested that schools encourage anyone who is unwell or has even mild flu-like symptoms, to arrange to be tested through their local medical practitioner or one of the [COVID-19 clinics](#).

Students and staff with flu like symptoms will **need to provide a copy of a negative COVID-19 test result before being permitted to return to school.**

Schools are not required to conduct widespread temperature screening or mandate the wearing of a mask.

All schools will be vigilant when implementing infection control, physical distancing and personal hygiene protocols to protect the health and safety of students and staff. Schools will promote the need to follow good hygiene practices such as:

- regularly washing hands
- avoiding sharing drinks or food
- coughing or sneezing into your elbow, or a tissue which should be discarded immediately
- filling water bottles from bubblers rather than using the bubbler directly.

KINDERGARTEN 2021

Our Kindergarten 2021 enrolment process has commenced. If you have a child that will be starting school next year, please contact our office for further details.

Take care
Jane Martyn
Principal

NEWS FROM OUR COMMUNITY LIAISON OFFICER JENNY LUXON

SPOTLIGHT ON 1/2 TEAL (TERRIFIC)

Classroom Teacher: Mrs Kaye Arnold

Number of Students: 26

This term we have read a variety of picture books or viewed media texts and used the characters or themes to help develop our ideas, opinions and supporting reasons to write persuasive texts. The picture books have included "Edward the Emu", "Possum goes to School", "Grandpa's Slippers", "Olga the Brolga", "The True Story of the Three Little Pigs", "I want a new Room" and "The Day the Crayons Quit". We have also enjoyed extending our mathematical abilities using card, dice and domino games and activities.

OUR FAVOURITE CLASSROOM ACTIVITIES:

- Daily fitness – yoga and aerobic dancing to 'Footloose' and 'This is Me'
- Maths games like brainy fish, salute, double up, champion of the circle, guess my number, celebrity number and make the biggest and smallest number
- PM eCollection and Reading Eggs on the iPads
- Sentence of the Day – where we use our senses to write creatively
- Art Hub – where we do directed drawing.

photos of our
class on Facebook!*

'PIRATE DAY'

It's time to get dressed up as a pirate! Urunga Public School will be participating in 'Pirate Day' this Thursday 24th September to raise awareness and much needed funds for childhood brain cancer. Students are encouraged to come dressed as a pirate. A gold coin donation would be greatly appreciated on the day. We look forward to seeing everyone dressed up in their best pirate costume, or come dressed in red, black and white.

Miss Kyle and Mr Ticli

SPORT TABLOID FUN AFTERNOON

Years 3—6 will be having an Aboriginal and Torres Strait Islander games afternoon on the last day of the term. The students are expected to wear sensible clothing (with sleeves) to highlight Aboriginal and Torres Strait Islander cultures. Sensible shoes such as joggers should be worn to make it suitable to compete in the different rotation games. The normal break times will occur and students will need to bring a drink bottle with their name on it.

Unfortunately, due to COVID restrictions we are unable to have parents attend on the day. There will be photos taken of the events and uploaded to our Facebook page.

Additional cleaning and hygiene practices will be put in place during the athletics rotations.

- When:** Friday 25th September 2020 (last day of this term)
Time: 2.20pm—3.15pm (last session of the day)
Where: School—basketball court and school playground
Wear: Aboriginal and Torres Strait Islander colours. (red, black & yellow or green, blue, black and white)

Year 3-6 Teachers

FORENSIC WORKSHOP - A CASE OF DISCOVERY

Education Interactive will be visiting our school on Thursday 22nd October to present hands-on forensic workshops to our Year 3 – 6 students. Education Interactive encourage curiosity and creativity in science by engaging students in a fascinating investigation. Students will be taken on an engaging, hands-on experience. Acting as both forensic scientists and as detectives, students will use their creative and critical thinking skills to analyse the forensic evidence and piece together the story.

Notes were handed out last Monday to Year 3—6 students. The cost of the workshop is only \$5 and we encourage all students in these years to attend. Please complete the permission note and return to your classroom teacher with \$5 payment by the Tuesday 16th October.

GYMNASTICS PROGRAM

Last Friday was the final day of our K-6 gymnastics program for 2020. The entire program was enjoyed by everyone and the improvements that were made in gymnastic and balance skills over the past 8 weeks were evident by the final day. Each participant received a certificate detailing their achievements throughout the program. We look forward to more gymnastics next year.

FORTNIGHTLY CLASS AWARD WINNERS

Congratulations to the large group of this fortnight's class award winners. Everyone stood up on Monday mornings assembly to receive their certificate. Well done! Mrs Martyn also presented three more 1000 minute reading club awards to some more keen readers. Great job Harvie, Jack and Grace.

ICAS - UNIVERSITY OF NSW - INTERNATIONAL COMPETITIONS

The first result has returned from the University of NSW International Competitions and Assessments (ICAS) that a small number of students chose to undertake earlier in the term. Congratulations to all the students who participated in the five different disciplines.

We had one student complete the **Science** assessment. Congratulations to Sophia Luxton who achieved a 'Participation' in this category.

Mrs Prior

SCHOOL PHOTOS - GROUPS

School photos were handed out last week to everyone who made orders. We have also received the group photos that were taken of our School Captains, School Leaders, SRC, House Captains and Vice Captains, Year 6 and the Year 6 Fun photo.

These group photos can be viewed and ordered online at www.theschoolphotographer.com.au using the online ordering code below:

20S6071VT39U

The group photo prices are:

\$18 each, 2 for \$34, 3 for \$46, 4 for \$58 or 5 for \$70.

The photos will be available to view and purchase ONLINE ONLY.

HEAD LICE

The head lice are out and about. Please check your child's hair regularly for head lice and eggs (nits) - use a fine metal **tooth nit comb** and plenty of cheap hair conditioner applied to the dry hair. This is a cheap method to see if your child has head lice, and if they do please treat with an approved head lice treatment. **It is very important to remove all the eggs and repeat the process regularly until you no longer find eggs or lice in your comb.** Eggs will continue to hatch over a ten day period.

WHAT'S DUE

- **Forensic Workshop (Yrs 3 - 6): Permission note and \$5 payment due before Tuesday 16th October**

STEM (SCIENCE, TECHNOLOGY, ENGINEERING AND MATHEMATICS)

STEM this term has focused on technology and engineering. Students have explored programming and electrical circuits with Makey-Makey and Scratch where they have navigated mazes, and designed digital musical instruments.

The engineering concept of STEM activities helps to promote problem-solving and innovative thinking. Students have applied various scientific principles to learn the strongest shapes for building and how to apply them to solve various challenges. Students have used these concepts, combined with the scientific method, to build bridges out of paper straws and play-dough, newspaper forts, and recreate models of famous landmarks using spaghetti and marshmallows.

As the term has progressed, students have shown great ability to think outside the box and work in teams to solve challenges. It has been a wonderful term of laughter and exploration.

CASCADE INCURSION continued...

Energy

On Friday Mister McQueen came and told us about energy and I learned that you get energy from the sun that then goes into plants and then we eat the plants and so do animals which gives them energy and then we eat them and we get the energy from them. We also did this little project with these little suction cups which were really fun and then we did the really fun thing which we had to do. Two different things. The first one was we learned about solar energy where we went outside and made solar energy with wire cords and the second one where we had to make fans and see how fast they go.

Jade Zmuda Yr 3

Energy

I really enjoyed doing activities with the man who came down from Cascade. One of the activities was solar panels. We went out to the sun and we had to get the buzzer working, the light working, the fan working. We also had to do wind power inside. We had to make our windmill and stick it on a little machine and test it on a fan. It was all fun!

Lyla Fitzgibbon Yr 3

Energy

Inside with the fan I found it really fun. It was cool how we got into groups and how we tried to get the best score on the board. The solar one was awesome, I like how we had to connect the line/wires and trying to get the fan to work.

Oscar Day Yr 3

Wind Power

You can use wind power turbines or a windmill to create power. All you need is the wind to hit the wind turbines or windmill so it creates energy. We had to make a wind turbine to try and make energy and to see what energy does.

Solar Power

We had to use four solar panels to make a little fan and buzzer work. We had to use electric wires to connect the solar panels to the fan and the buzzer.

Asher Hobson Yr 3

URUNGA VACATION CARE Program Information
28th September – 9th October 2020
(Please note this page can be kept as a reminder of booked days and activities)

Program Information:

Monday 28th September: Lets get creative today. Use paper and natural/processed loose parts and let your imagination run free. Whether its acrylic, watercolour or oil painting, we have you covered.

Tuesday 29th September: Today is for outdoor adventures; Make teepees and cubbies, play sports and games, explore the natural landscape. We will have a picnic lunch outside together and make sure you bring a hat for today!

Wednesday 30th September: Make your own friendship bracelets, necklaces, bag pins. Trial your sewing skills by making hair scrunchies.

Thursday 1st October: Today we are going to use large pieces of cardboard to build mazes and challenges for our ozobots, using codes to solve them. Challenge or race your friends! Today we also have the option to make a Beyblade arena from the cardboard, if you would like to bring your Beyblades, today is the day!

Friday 2nd October: We are holding our own Lego building competition today with timed and themed challenges. Be creative and go into the running for a prize!

Monday 5th October: *Public Holiday, we are closed.*

Tuesday 6th October: Have another go at pottery making today. Experiment with different techniques to create animals, pokémon, flowers, vases and bowls.

Wednesday 7th October: Today may get a bit messy! We're going to make slime, different kinds of slime! Try making Oobleck, cloud dough and scented playdough! It will be a great sensory experience!

Thursday 8th October: We will be trying a different method of Tie Dye these holidays. Bring in an item of your choosing from home to tie dye; socks, shirts, pillowcases...anything you think needs a pop of colour!

Friday 9th October: Our last day and our chance to perform! Get dressed up and act out your favourite scenes on stage, or you might like to be the director, filming a movie with your friends!

THINGS TO REMEMBER:

PLEASE REMEMBER ON EXCURSION DAYS TO BE AT OSHC 15 MINUTES BEFORE THE DEPARTURE TIME TO FILL OUT PERMISSION NOTES, MEDICAL FORMS ETC

HOURS OF OPERATION - 7.00am – 6.00pm MONDAY TO FRIDAY during School Holiday period (excluding Public Holidays)

Sun Safety: No Hat, No Play (or play in the shade). Educators will endeavour to ensure that all children apply sunscreen throughout the day, although...please remember to apply sunscreen to your child before they arrive, pack a long sleeved rash shirt or a long sleeved shirt for water activities and we recommend a wide brimmed hat for extra sun protection. **Please not singlet/spaghetti strap shirts or dresses**

Food: Nutritious foods are essential for growing, playing and learning. Although we realise its school holidays and that means the occasional special treats, we do ask that parents/carers please provide a healthy and nutritious morning tea, lunch and afternoon tea for their children. Children do burn through a lot of energy in our active program so please ensure that your child has enough healthy food to last the whole day. **We also ask that treats such as chocolates, fizzy drink or lollies be left at home until the evening or weekend.** We are also a nut free zone. Please ensure you child/ren come packed with a water bottle.

Clothing Guidelines: Children are encouraged to wear comfortable casual clothing when attending Vacation Care. We ask that children wear covered shoes. Thongs, strapless shoes, high heels, slip-ons, etc. are considered **unsafe**.
