### BOYS BASKETBALL PSSA GALA DAY

Last Friday 17th, our Stage 3 boys basketball team travelled to Coffs Harbour Sportz Central to compete in the annual PSSA Basketball Competition. We were lucky enough to get 2 games on the day and had a ball! The first game was the culmination of years of lunchtime basketball and a few training sessions whenever we got a dry court, it was an outstanding win against Nambucca Heads Public School. Following the first game, we unfortunately went down to an extremely well drilled and experienced team from Mullaway. Each of the boys played enthusiastically and as a team. Standouts included Josh Graham with his amazing scoring ability, Harper Tutt who can run all day and the feisty Oscar Day. Well done and we can look forward to a lunchtime game soon against our undefeated girls team led by Miss Reid! Lookout!

## NORTH COAST FOOTBALL (SOCCER)

Urunga Public School had four students play in the Mid North Coast Soccer teams last Friday at Yamba. Bella and Sophie played in the girls team while Charlie and Asher played in the boys. We would like to send out a big congratulations to Sophie, Bella and Charlie who all were successful in gaining selection for the North Coast Football (Soccer) Teams. This is a wonderful achievement and they should all be very proud. Sophie and Bella will travel to Bathurst in August to play at the State Championships and Charlie will travel to Griffith in August to play at the Boys State Championships. We wish them all the best.

## WIND BAND WORKSHOP

Last Friday, the Urunga Public School band attended a Wind Band Workshop at Bellingen High School. The workshop was hosted by the High School Concert Band, who dedicated the day to teaching and playing alongside our Primary Band students. We were joined by the Bellingen Public School Concert and Training Bands, one student from Dorrigo and another from Chrysalis. Altogether, we had 37 primary school students and 18 high school students making up one Big Band.

The students spent the day being tutored in small groups by their high school mentors as well as playing their band pieces altogether in the hall. We finished up with a short concert for parents before packing up all the equipment and heading home. Ms Ann Phelan did a wonderful job of organizing the event, selecting the music and conducting on the day, and we were very lucky to be joined by Mr Pete Skelton, percussionist extraordinaire, who shared his amazing skills and passion for all things percussive.

Sincere thanks to Bellingen High School for supporting the workshop and sharing their facilities with us for the day. It was an inspirational learning opportunity for our students and the results were very evident in the closing concert. It was lovely to see so many parents enjoying the experience of watching their children perform. The BHS Concert Band excelled themselves in helping their junior colleagues and I know they also learned a great deal about teaching, stamina and patience! A wonderful day all round.

Both teams gave it their all and played with impressive skill and sportsmanship. Some students had never played soccer before but were excited to give it a shot and had a great time. The boys unfortunately lost their game 2-0 while the girls were victorious, winning 6-4. Their round 2 game will be against Nambucca Heads Public School this Friday. Good luck girls!

## TOUCH FOOTBALL PSSA GAMES

Last Thursday 16<sup>th</sup> June, the following students proudly represented Urunga Public School in PSSA Touch Football.

**Girls:** Lyla, Siobhan, Sophie W, Alyssa, Arabella, Grace, Sophie L and Olivia.

**Boys:** Lockie, Jake, Harper, Taj, Josh, Dean, Kenny and Lincoln.

Both teams played against Bellingen Public School at Urunga Recreational fields. The teams put in a huge effort with the girl's game up first. Miss Jaydan keenly prepared the girls for their game with some quick warm-ups and drills. When we hit the field, all students were persistent and tried their best. There was great talk and encouragement from one another throughout the game, though unfortunately Bellingen took the lead, winning 5-2.

The boys were up next, they took initiative by organising their own positions on the field and warming up prior to their game. It was a tough game, initially Bellingen took the lead, but Urunga made a great comeback and almost took home the win with some skilled stepping and dummies. Unfortunately Bellingen won 8-6.

Thank you to the parents who came and supported the games. Congratulations to both teams and the students who had never played before. We did not make it through to the next round, though both teams did exceptionally well.

**Miss Creighton & Miss Jaydan**

## LITERACY GROUPS

Miss Hooke has been working with small groups of students on reading comprehension and fluency activities. The students have been learning how to view and unpack texts, focusing on developing a deeper meaning and understanding of what they are reading. The students have been working hard and enjoy attending these sessions.

## STAGE 3 EXCURSION - CHANGE OF VENUE

We have been notified by Lake Ainsworth that they have unfortunately had to cancel our excursion for Year 5/6 students next term. They are currently being used for crisis accommodation for the Northern Rivers flood victims.

While this is disappointing, we are excited to have been able to secure a **new venue** and dates at The Great Aussie Bush Camp at Tea Gardens (just north of Karuah). The Great Aussie Bush Camp program offers the widest choice of onsite and offsite activities available at any outdoor education centre in Australia.

There will be a new permission sent home this week for you to confirm your permission for this new venue. The new dates for the excursion are **Monday 8th—Wednesday 10th August** (Week 4, Term 3). This is a quick turn around so it is important that we have all permission notes returned and deposits paid by this coming Monday 27th July. The P&C are generously contributing \$50 per student towards the cost of the camp. The full cost to families for each child will be notified as soon as we have final numbers and costings.

If you are experiencing any difficulty in meeting these payment timeframes, please come and speak to Mrs Prior or Mrs Martyn. We are all looking forward to a great excursion experience.

**Stage 3 Teachers**

## DENTAL HEALTH VAN

The Dental Health Van has arrived at Urunga Public School. It is a FREE dental service provided by NSW Health and is available to all K-6 students. Two weeks ago, your child was given an information package about this dental program. The pack includes information and a consent form for you to fill in if you would like to take advantage of this program. Please return the completed paperwork to the school. If your child did not bring one home, please ask their teacher or the front office for a pack.

## REGISTER FOR CENTRAL PARENT PORTAL

Urunga Public School - CENTRAL Parent Portal allows parents to receive and view important school information. Parents and Carers can access attendance history, record absences, and book parent-teacher conferences, school newsletters and student notices from anywhere at any time.

To register, parents have been provided with registration details <https://urungaps.central.com.au/portal/register> and an access key in an email from the school last week. If you did not receive this information, please email the school on [urunga-p.school@det.nsw.edu.au](mailto:urunga-p.school@det.nsw.edu.au) or contact the front office on 6655 6393.

Parents can access the Parent Portal via this link <https://urungaps.central.com.au/portal> or download the app 'CENTRAL for Parents'.

If you have previously registered and added your child/ family code, you should still have access to the Parent Portal and will not have to do this again. If there are any problems, please let us know.

## SEMESTER ONE PARENT-TEACHER CONFERENCES

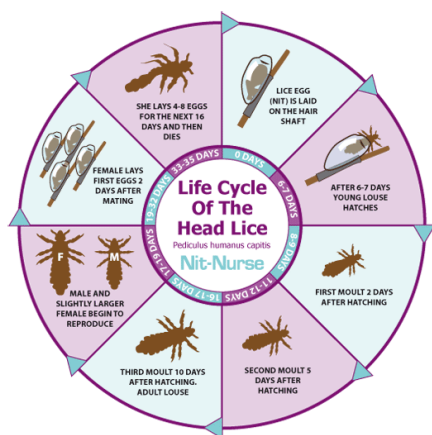

We will be holding our Semester One Parent-Teacher Conferences in Week 10 of this term. We will be using the CENTRAL Parent Portal to book conference timeslots from the times made available by your child's classroom teacher. We have allocated 15 mins for each conference time.

The booking availabilities went live on the CENTRAL Parent Portal on Monday 20 June and will be open until Thursday 23 June at 5pm. Our staff look forward to meeting with you to discuss your child's progress.

## HEAD LICE

It's that time again! The head lice are out and about. Please check your child's hair regularly for head lice and eggs (nits) - use a fine metal **tooth nit comb** and plenty of cheap hair conditioner applied to the dry hair. This is a cheap method to see if your child has head lice, and if they do please treat with an approved head lice treatment. **It is very important to remove all the eggs and repeat the process regularly until you no longer find eggs or lice in your comb.** Eggs will continue to hatch over a ten day period.

Teachers have been talking to students about strategies to minimise the chances of getting head lice.

## Nutrition Snippet

### EAT TO THE SEASON.

#### Eating seasonal fruit and veg means:

- ✓ It's cheaper
- ✓ It's fresher and more nutritious
- ✓ It's better for the environment
